### NATIONAL HONOR SOCIETY

For the first time the 1951 Goldbag includes the candidates for the National Honor Society. At the close of the first semester, the above candidates were selected by the faculty on the basis of scholarship, leadership, character, and service. Official initiation will be an event of senior week just prior to graduation.

## *Student Council*

Under the capable leadership of Nancy McGinley, the Student Council has rendered a very profitable and effective service to the students of Alva High School. The Student Council strives to meet the varied problems which arise and to handle them in a manner that best serves the interests of the school. The membership includes a representative from each organization in school. It is a distinct honor to be a part of the Student Council and each member values the confidence placed in him by his organization.

Four members of the Student Council attended the Southern Association of Student Councils fall conference in Oklahoma City. The efficient functioning of the Student Council is indicative of the benefits derived from this meeting.

Activities of the Student Council include devotionals at the high school assemblies and sponsoring a number of socials throughout the school year.

Other officers are Orville Canaan, Vice-President and Myrna Jo Shelby, Secretary-Treasurer. The faculty sponsors are Edna Domey, Gresham Elkins, and Robert Manning.

## Y-Teen

The ideals and purpose of Y-Teen are: "To build a fellowship of women and girls to the task of realizing in our common life those ideals of personal and social living to which we are committed by our faith as Christians."

Y-Teen, one of Aya High School's first organizations, is a part of the international teenage group of Y.W.C.A. The Y-Teen entered into the national Y-Teen project, Chocolates for Christmas. Ten boxes of chocolates were sent to a German school in the American Sector of Germany.

## Key Club

The Key Club, now in its fourth year, has grown to become an outstanding organization in Alva High School. Under the sponsorship of the Kiwanis Club and working closely with the school administration, the Key Club seeks to develop effective leadership and citizenship among the boys.

This year the scope of membership has been broadened to include any boy in high school who is earnestly desirous of rendering useful service to his school and community.

Activities for the year included a fall picnic and attending the International Organizational Conference at Dallas, Texas. Projects included Thanksgiving and Christmas food baskets to a needy family.

Perhaps the highlight of the year was the all school dance sponsored by the Key Club just before Christmas, at which time the price of admission was one toy. The toys were then sorted, packaged, and delivered to children in the community.

## *F. H. A.*

The organization of the Future Homemakers of America has a membership of sixty-three girls. The motto of F. H. A. "Toward New Horizons," expresses the purpose of the organization—learning to live better today in order that our lives and those of our families may be better tomorrow. Its official colors are red and white with the red rose as its flower.

The local projects for the year were financed by the money raised from selling at school activities and by dues. The projects this year were sending a Christmas basket to a needy family of five and making Valentine favors for the hospital. The organization voted to give its share of the school carnival proceeds to the high school library. Also a generous donation was made to the local March of Dimes drive.

At the Kid Party in September all the girls who were interested in joining F. H. A. were entertained. In November a potluck supper and a party with the F. H. A. was held. In January a boy-girl party was featured. The annual parents-laugher dinner was one of the highlights in the spring. The senior members were entertained at a luncheon in May and the eighth graders were given a tea.

The officers attended the Sub-District meeting at Jet and thirty members went to the State Rally at Oklahoma City in March.

## *F. F. A.*

Sixty-two boys enrolled in vocational agriculture and occupied the new building, which is one of the largest and most modern in the state. It consists of a large chapter room where formal classes are held and Future Farmers meet; the testing room or laboratory where testing and grading of farm products and soils will be made; and a well-equipped farm shop is available for training boys in skills of welding, mechanics, carpentry, electricity, and concrete.

Students have constructed all built-ins, cabinets, work benches, library and magazine racks for the building.

The outstanding activities for the year include a small grain testing plot and 15 acres of wheat owned by the chapter, preparing a float for the Homecoming Parade, putting 35 Green horns into the FFA this year, and advancing the Lambert Chapter to the FFA degree.

Dick Koppitz, senior 1950, was awarded the Junior Master Farmer Degree and accompanying scholarship from Oklahoma A&M.
